Air Heater Seal Company, Inc.

www.airheaterseal.com

Manufacturer of patented, flexible, full contact sealing system for rotating regenerative air preheaters.

- Air Heater Seals
- Dampers
- Air Heater Baskets
- Expansion Joints

AT&F Advanced Metals, LLC

www.atfco.com

Specializing in design & fabrication of alloys into high performance equipment.

- Pressure Vessels
- Columns & Towers
- Tanks
- Shell & Tube Heat Exchangers

CBP Engineering Corp.

www.cbpengeering.com

Design, manufacture, and installation of materials for abrasion and corrosion.

- Cast Basalt Pipe & Tile
- Silicon Carbide Products
- Alumina Ceramic Pipe & Tile
- AZS Products

Day & Zimmermann (Condenser Services)

www.dayzim.com

Full-service condenser retubing and support.

- Rubber Dog Bone
- Leak Detection
- Anti-Vibration Tube Stakes
- Basket Tip Connections

EST Group (Div. of Curtis Wright Flow Control)

estgroup.cwfc.com

Products & services for tubular heat exchangers, condensers, pipe, piping systems & pressure vessels.

- Heat Exchanger Tube Plugs
- Hydro Test & Isolation Plugs
- Heat Exchanger Testing
- Heat Exchanger Service

Enerpipe, Inc.

www.enerfab.com/enerpipe/

Custom pipe and pressure vessel fabricator.

Helmick Corporaton

www.helmickcorp.com

- Boiler Tube Shields
- Clinker Grinders
- Ash Conveying Parts
- Pulverized Coal Transport Parts

Industrial Sealing & Lubrication, Inc.

www.islgroup.com

- Royal Purple Lubricants
- Filters & Filtration Equipment
- Oil Storage & Dispensing
- Mechanical Seals

Kennametal Conforma Clad

www.kennametal.com

Tungsten Carbide metal cladding for extreme abrasion applications.

Liquidmetal Coatings Solutions, LLC

www.liquidmetal-coatings.com

Coating solutions in wear and corrosion applications.

Madison Industrial Services Team, Ltd.

www.madisonltd.com

New construction, turnaround, maintenance & repair services to the refinery, petrochemical & power industries including:

- Automated Field Weld Overlay
- Pipe Fabrication
- Boiler Repair
- Vessel & Tank Fabrication

Merrick Industries, Inc.

www.merrick-inc.com

Feeders for Coal, Lime & other products.

Munroe, Inc.

www.munroeinc.com

- Boiler Tubing
- Pressure Vessels
- Boiler Tube Elements
- Heat Exchangers

Neumetal Corporation

www.neumetal.com

Full service metal fabricator and manufacturer.

- Columns/Beams
- Substation Steel
- Platforms/Towers
- Stair Towers

Ovivo USA, LLC

www.ovivowater.com

Specialists in cooling water, condenser optimization, feed water & waste water treatment.

- Intake Systems
- High Purity Makeup
- Cooling Tower Filtration
- Clarification

Plastocor, Inc.

www.plastocor.com

Epoxy coating solution primarily engineering to protect main steam surface condensers and other heat exchanger equipment.

Southern Environmental, Inc.

www.sei-group.com

New Construction, Inspection, Repair, Rebuilds & Upgrades of:

- Dry Electrostatic Precipitators
- Wet Electrostatic Precipitators
- Bag Houses
- Scrubbers and SO2 Compliance

Synterprise

www.synterprise.com

Provider of Innovative Solutions for Operational Excellence

- Accelerated Turbine Startup
- Combustion Optimization
- Environmental Solutions
- Asset Management
